- If your camper is going home with someone other than yourself, please provide a note with the new pick-up person's name.
- Swimming is every Wednesday, please remember to send a towel. It is easiest if your camper arrives already wearing their bathing suit, but if that's not possible, please make sure they are capable of dressing themselves in whatever suit you send.
- Technology of any kind (cell phones, tablets, gaming devices, smart watches, etc) are not permitted.

# DROP OFF

# PICK UP INSTRUCTIONS

★ Upon entering Bridge Valley's parking lot, follow the sign and turn right onto the driveway which circles around the back of the building. This is marked by the gold star on the provide map. Follow the driveway and flow of traffic until you reach the camp entrance.

★ When it's your turn, pull up to the camp entrance, where Camp Staff is waiting. This is designated by the black star on the map. For safety purposes, please do not let your camper(s) out of the car until you reach this point! After your camper exits your car, follow the driveway back to the front of the school and exit the parking lot. Be mindful that the driveway is two-ways and some counselors will be driving in while you are leaving.

### Things to Remember:

- Doors open at 8:30 AM, no earlier.
- The morning drop-off line tends to move more slowly than the pick-up line, so prepare accordingly.
- If you come to pick up your camper before 4:30, you may have to ring the bell at the camp entrance to let us know you're there.
